IMPORTANT INFO

All registered athletes are expected to stay for the entire duration of evaluations. Be sure to feed them beforehand so they have had good nutrition and hydration!

Our lobby will remain CLOSED to only coaches and athletes during evaluations as we will be utilizing the lobby and gym during the tryout. This will also help avoid any distractions. We appreciate your understanding during this process. Practices during the season will be open to parent viewing.

All paperwork including the athlete contract, season practice schedule, and season competition schedule will be finalized and handed out at the first practice.

FEES

In addition to the monthly tuition fee, there will be additional fees including but not limited to: competition bow, uniform fee, competition fee, and team t-shirt fee. These additional fees will be

disbursed throughout the season. Please note the entire cost of the season is NOT due upfront. **We are always willing to work with families on a payment plan to help with financial costs.** Please do not hesitate to communicate with us if needed.

UNIFORM

Athletes will be required to purchase a NEW uniform for 2026-2027 Home Team season. We are excited to retire our previous uniform and create a new style that will enhance our athletes confidence and give them a sharp on the competition floor.

PRACTICE SCHEDULE

NEW this year, athletes will practice **twice** per week to ensure we are prepared for our upcoming competitions. All practices are mandatory and it is expected that your athlete will be there. Home Team athletes will practice on Sunday evenings and Wednesday evenings. You will receive the full season schedule at the first practice.

MISSED PRACTICES

You may refer to our absence form for any missed dates including practices, illness, or family vacations. You must return this form to your coach no less than two weeks before your scheduled missed practice.

Attendance is important!! If your athlete misses two practices in a row, they will risk losing their spot in a stunt, tumbling section or elsewhere! We want to keep everyone SAFE and having everyone present at practice will ensure this! Absences before a competition will risk your athletes placement in the routine, no exceptions!

COMPETITIONS (tentative dates)

TEAM PLACEMENTS

Athletes will be placed based on their grade, attitude, experience and skill level in that order. We will be entering into the divisions that are the most competitive for our athletes to see success! We can't wait to see what this season has in store!

Please contact Coach Heather with any questions you may have! We look forward to welcoming back our veterans and welcoming our new legends on September 26th at evaluations!

Cheerfully,
Coach Heather
